# We keep it simple.

At Mind Hub Directory advertising, we're all about keeping it simple. Prospective clients can suss out your practice info, get a feel for what you're about, and book appointments with ease. We're budget-friendly and give your business a global spotlight.

# MHD Keynotes, Practitioner Benefits.

## **Global Visibility**

Having your business featured on Mind Hub Directory means your services are exposed to a worldwide audience through mental health keynotes. This exposure can significantly enhance your reach and attract clients from various parts of the world who resonate with your offerings.

## **Credibility and Authority**

Being showcased in mental health keynotes globally via Mind Hub Directory adds credibility and authority to your business. It positions you as an expert in your field and reinforces trust among potential clients who see your business associated with reputable mental health platforms.

## **Boosted Reputation**

Featuring your business on Mind Hub Directory through global mental health keynotes enhances your credibility and reputation within the industry. It showcases your commitment to mental health awareness on a global scale, attracting clients who value such dedication and potentially leading to valuable referrals and recommendations.

# Keynotes with Fortune 500 Companies.

## SPREADING MENTAL HEALTH AWARENESS

Liza Pavlakos, the founder, will deliver a minimum of two keynote speeches annually to corporate organisations, where Mind Hub Directory will be promoted.

# The Mind Hub Directory Effect.

## **Empowering Personal Growth**

Advertising on Mind Hub Directory facilitates personal growth by empowering individuals to take control of their mental health journey. Through your ads, you connect people with compassionate practitioners who offer personalized support and guidance, inspiring them to seek help and take proactive steps towards enhancing their mental well-being.

## **Promoting Wellness in Communities**

By showcasing your services on Mind Hub Directory, you actively contribute to promoting mental health and wellness within communities. Through targeted advertising efforts, you can raise awareness about the significance of mental health maintenance, early intervention, and seeking professional support, ultimately fostering healthier and happier lives for individuals.

## **Assisting Access to Resources**

When you advertise with Mind Hub Directory, you're aiding individuals in accessing vital mental health resources. Your ads enable practitioners to share valuable materials, tools, and guidance, empowering people to better understand and manage their mental health challenges.

# The Sign Up Process.

## ■ 1.MAKE CONTACT

Please reach out to our headquarters. If you are situated in Asia or the GCC, please contact the respective regional offices. A team member will assist you with the onboarding process.

## ■ 2.ON BOARDING

You'll receive guidance to review and sign the terms and conditions, make payments, and complete the onboarding form. Once your application is approved and all qualifications are verified, your profile will be forwarded to our team so that we may upload your profile on Mind Hub Directory website.

## ■ 3.APPLICATION APPROVAL

An email will be sent to you to approve your profile. Once you give your approval via email to your team member, your profile will go live within 5 business days from the day you submitted your onboarding application.

## ■ 4.MARKET YOUR BUSINESS

Now that your profile is live, become an integral part of the Mind Hub Directory community. Utilise your profile as your business card and website, leveraging it as a promotional tool to market your business effectively.
